LEARNING OUTCOMES

Completing the BSB50420 - Diploma of Leadership and Management equips students with advanced skills in team leadership, effective communication, conflict resolution, and motivation. They will gain expertise in project management, strategic planning, and decision-making. Additionally, they will learn to manage operations, implement change, optimise performance, design training programs, manage human resources, and ensure policy compliance. Graduates will be prepared for leadership roles and contribute to organisational success.

ACADEMIC PATHWAYS

After completing the BSB50420 - Diploma of Leadership and Management, graduates can explore several pathways for further education and career advancement. They can pursue a Bachelor's degree in Business Administration, Management, or a related field to deepen their knowledge and qualify for more senior management roles. Graduates may also consider enrolling in specialized courses or certifications in areas such as Project Management (e.g., PMP) or Human Resources (e.g., SHRM) to enhance their expertise.

APPLICATION PROCESS

- Applicants must read and understand the Course Brochure and Student Handbook.
- Complete the Domestic Student Enrolment Form which is also available on our website.
- Complete a Language Literacy and Numeracy (LLN) test.
- When the application for enrolment is complete student will be issued a Letter of Offer, invoice for initial payment of fees and provided with a Student Agreement for student's review.
- On acceptance of the offer student is required to return the student agreement with the initial payment of fees.
- Upon approval of the application, the student will receive a confirmation of enrolment and an official receipt for the fees paid.
